

CAMPAIGN MANAGEMENT SERVICE

Develop compelling email marketing campaigns and boost your marketing results with Mailigen Expert Managed Service.

We are excited to introduce a full campaign management service for your email marketing activities from list building, segmenting contacts and creating email template, through report analysis and further strategy development.

Having managed numerous email marketing campaigns all over the world, our experts are here to work with you to build your best email and SMS campaigns.

ACCOUNT MANAGEMENT & SETUP

- create custom email template design for your email campaigns
- set up default sign-up form for your webpage, blog or Facebook page
- create sign-up autoresponder for new subscribers
- manage email & SMS campaigns

Each following month we will manage up to 4 email or SMS marketing campaigns for you.

We will bring you in-depth analysis, benchmark reports and recommendations for your further email marketing campaigns.

HERE IS WHAT WE OFFER:

- email list upload (.exl or .csv format) and segmenting (up to 5 segments)
- insert text, links and images in the template
- campaign delivery to the segmented audience
- message distribution in social media (twitter, Facebook)
- weekly campaign statistics and analytics

A NO-BRAINER DEAL FOR A BUSY OR COMPUTER SHY PERSON:

- only 380\$ per month for a full campaign management service
- 40\$ for additional campaign in the running month
- 40\$ for additional autoresponder

22% vat not included

Maximize campaign engagement and boost your ROI with Mailigen team.

We are sure you will be happy with our managed campaigns even before we send them out.

To get started, just email us and your personal account manager will start working with you right away.
